for ease of use

APPLICATIONS

- » Project Studio Monitoring
- » Home Recording
- » Rehearsal

FOR PROJECT STUDIOS AND REHEARSAL

The AKG K52 over-ear, closed-back headphones provide the perfect combination of sound quality, comfort and durability. Professional drivers deliver solid bass, well-defined mids and clear highs - without any hype - so you can hear exactly what's happening. The unique self-adjusting headband provides a personalized fit, ensuring serious comfort during marathon sessions. With a lightweight yet durable design, high-quality components and replaceable earpads, K52 is built to last.
